

## Unified Command Meeting Briefings for 05.19.2020

Tuesday May 19, 2020

- Glenn and Victoria: attended CTC – Communities that Care meeting. Voyager would like to share messaging re. safe and appropriate activities that kids can do rather than what they can't do. Please share ideas with Glenn and Victoria to pass on ie. drive in movie at fairgrounds
- Glenn: Dealing with gvt. Employee order that masks are required in workspace - masks must be worn if people are walking around or interact with other employees; Let's do more business sector meetings after Memorial Day - Thursday may 28<sup>th</sup> 9:00 AM for hotels. Restaurant meeting should happen after the new state guidance comes out next week, perhaps Friday 9:00; Proposed to change Unified Command meeting to M,T, TH, F only
- Preston: Meetings and phone calls all day; Needs details about adjustments to the variance language requested by BOCC, Glenn shared
- Jennifer: Worked on July 4<sup>th</sup> press release, uploading videos
- Heidi: Attended BOCC, PIO regional meeting; Handling a media request from Denver news; Quoted from GOBIGBANNER.com and Scott's Printing; Heidi will send chosen banner design and bids to Connie, please send municipality hi res logos to Heidi ASAP
- Laura Mac: Regional messaging getting finalized; Regional PIO – gathering regional July 4<sup>th</sup> details from all areas to be shared; National Forest campgrounds are seeing huge groups but experiencing difficulties with enforcement
- Tanner: State call – 42 variances submitted, only 12 granted; Visited the Campground in the county to check compliance
- Melissa: No updates from Ouray
- Shane: Restraints Situation – taking calls from citizens – people still sitting on patio at noon today. Customer refused to leave and continued to eat. Owner and customer were confrontational; Glenn referred a complaint from a citizen about a large group gathering every night across from Ridgway Bar with open containers and no social distancing, Shane will follow up
- Jeff : No updates
- Lance: Local Media following up on county campground complaints
- Coffee with Unified Command talking points:
  - Variances
  - Pull talking points from radio shows
  - New changes to the orders
  - Glenn to facilitate, will prioritize citizen questions first
