Ouray County Public Access Group (PAG) Route Map

DRAFT May 16, 2012 Revision **DRAFT**

THIS IS NOT A FOREST SERVICE or BLM MAP!

The purpose of this map is to indicate the existence and document the history of historic public routes in Ouray County.
This map is NOT intended to be used as a guide to transportation or ownership on Forest Service, BLM or other lands. Other maps exist for those purposes. It is the user's responsibility to obtain current information.
PLEASE RESPECT PRIVATE PROPERTY ALONG THESE ROUTES

OURAY COUNTY HISTORIC ROUTE INDEX

This chart shows some of the historic documents supporting public routes in Ouray County. This may include Ouray County, USGS and other maps, citizen Road Petitions, Board of County Commissioners (BOCC) adoption and other actions, and other sources. Many of these documents will be included in the PAG public outreach package associated with this map, and many are part of the public records of Ouray County and the United States.
This map and route list are not exhaustive; other public routes and sources may exist, and may be added as further research is conducted.

Read this chart across the row for each trail or road listed under **ROUTE NAME**.

An **X** in a column indicates the route is present on the map or referenced by the document listed at the head of the column.

This map is created from multiple data providers, including city, county, state and federal sources, and may contain conflicting information. All data, information, and maps are provided "as is" without warranty or any representation of accuracy or completeness and are for reference only; the burden for determining the appropriateness for use rests solely on the user. The County of Ouray makes no warranties, express or implied, as to the information set forth or as to the utilization of such information for the user's purposes. The user acknowledges and accepts all limitations, including the fact that the data, information, and maps are dynamic and in a constant state of maintenance, correction and update. Ouray County reserves the right to correct, update, modify, or replace GIS data and map products without notification to any person or entity. Using GIS data and maps for purposes other than those for which they were intended, or at a different scale, may yield inaccurate or misleading results. This map is not a legal land line or ownership document. Public lands are subject to change, and may have access restrictions; check with local public lands offices. Determining private land boundaries on the ground are the responsibility of the individual user. Map prepared May, 2012 by Ouray County GIS in coordination with the PAG members.
